

PAGET HIGH SCHOOL

Be Proud • Aim High • Work Hard

September 2018

Dear Parents / Carer

We have had a terrific start to the 2018/19 academic year. On behalf of the governors and the Paget staff I'd like to thank you for how well you have embraced our new uniform. I'm sure you agree that the students look very well turned out!

I am also delighted and very proud to inform you that our exam results were very good this summer resulting in a **positive** progress 8 score. (This means that Year 11 students made more progress than expected). With English attaining 63% 4+ grades and Maths jumping dramatically to 65% 4+ grades it was a terrific set of outcomes for Year 11. We still have some potential remarks to factor into our figures so these may improve yet further.

This is indicative of not only our ethos of support and encouragement but also of the impact of many of the new strategies we instigated in January. **ALL** Staff at Paget genuinely go the extra mile for their students. We are a positive learning community and we remain fully committed to a community where we all know each other and we all support each other positively to succeed as well-rounded citizens.

Another change this year will be the movement of parents evenings to better points in the school calendar year. These evenings will start at 4:15pm and will now no longer interfere with the school day. I have attached a summary of the parents evenings and other important dates so you can arrange your calendars accordingly.

We will also be revamping the website in due course and if you have any suggestions regarding what you'd like access to or would like available then please let us know.

As I start my first full academic year at Paget High I remain even more optimistic about the future of the school as it is quite clear that we have already raised the bar!

Yours sincerely

Mr Brierly
Headteacher
