**THE PREFECT TEAM**  
2025-26

My A-level subjects are English Literature, History and Psychology and I hope to make Paget an environment where everyone feels secure throughout the time that they attend.

**My Paget Pledge:**

My name is Asma. My role is to be in-charge of integrating and caring for our younger years.

I'm predominantly helping out to assist and lead the current Paget school council and to execute and listen to everyone's concerns, in any year and every matter.
