

NAME: HAFSA

THE PREFECT TEAM
2025-26

As an A level student I am currently studying biology, chemistry and Maths.

I hope to study dentistry or medicine in the future

My Paget Pledge:

I'm Hafsa. As a recent member of the prefect team, I help manage the Sixth Form shop and lead efforts to build connections with charitable organisations.

My goal is to raise the school's profile within the wider community through active fundraising for our chosen charities.

Also, I aim to increase profits from the Sixth Form shop, so that funds can be reinvested into enhancing the school experience for all students.
