

**NAME: MARIAM**

**THE PREFECT TEAM**  
2025-26

I take biology, chemistry and psychology A-levels. I plan to study Psychology at university and go into either educational or clinical psychology.

**My Paget Pledge:**

I'm Mariam. As one of the head students, I'm primarily in charge of student wellbeing- of which I am extremely passionate about. At Paget, I hope to integrate schemes and programmes that can do not only this, but create an environment that is understanding and inclusive, where everyone feels safe and heard.
